

# Incident Management Team (IMT)

## 2020-2021 COVID-19 Response

### IMT COVID-19 Objectives:

- 1.) Reduce the likelihood of COVID-19 illness among students, faculty, staff, and guests.
- 2.) Maintain comprehensive testing and contact tracing programs for the university in partnership with Lane County Public Health and Oregon Health Authority for the duration of the public health emergency.
- 3.) Keep the campus informed of new developments, Oregon Health Authority and CDC guidance, and the university's action to mitigate and respond and maintain operations.
- 4.) Provide access for employees and students to COVID-19 vaccine when available and in partnership Lane County Public Health.
- 5.) Establish a pathway to resume regular decision-making responsibility in accordance with the university safety policy and adherence with state and local public health authorities' COVID-19 safety guidelines and expectations.
- 6.) Document the financial impacts of the COVID-19 illness on the university's operations and protect its long-term financial stability.

**Policy Group**  
The IMT Policy Group provides direction in making strategic policy decisions for COVID-19 impacts on the university's ability to meet its mission of teaching, research, and public service. The Policy Group advises the President and Provost.

The UO's All-Hazard Incident Management Team (UO-IMT) provides the command and control infrastructure required to manage the logistical, fiscal, planning, operational, safety, and campus issues related to any and all incidents/emergencies. UO-IMT is made up of the individuals who serve as the primary Incident Commanders and Command and General Staff. The UO follows the requirements set forth by the National Incident Management System (NIMS). Using NIMS enables the university to communicate and coordinate response actions with other jurisdictions and emergency response agencies.
