

Oregon Postsecondary Projected Vaccination Needs: *Following the Oregon Health Authority's Prioritization Schedule*

Developed in partnership with:

- Oregon Public Universities
- Oregon Community College Association
- The Oregon Alliance of Independent Colleges and Universities

February 15, 2021

OHA Vaccine Sequencing

Phase 1A Started on December 12, 2020

Everyone in Phase 1A, Groups 1,2,3 and 4 are currently eligible for the vaccine.

Group 1

- Hospital staff with patient care responsibilities
- Urgent care
- Skilled nursing and memory care facility healthcare personnel (HCP) and residents
- Tribal health programs
- Emergency medical services (EMS) providers and other first responders
- All health care interpreters and traditional health workers in any setting within Phase 1a

Group 2

- Other long-term care facilities, including all paid and unpaid HCP, all staff and contractors, including residents who meet the age requirements of:
 - » Residential care facilities
 - » Adult foster care
 - » Group homes for people with intellectual and developmental disabilities
 - » Other similar congregate care sites
- Hospice programs
- Mobile crisis care and related services
- Individuals working in a correctional setting

- Adults and youth in custody 16 years and older

Group 3

- HCPs in outpatient settings serving specific high-risk groups
- Day treatment services
- Non-emergency medical transport (NEMT)
- Paid or unpaid caregivers (including parents or foster parents) of medically fragile children or adults who live at home
- Adults and age-eligible children who have a medical condition or disability who receive services in their homes

Group 4

- All other outpatient HCPs
- Other HCP who provide direct service to people with I/DD and other high-risk populations.
- Other public health settings, such as HCP serving WIC, or CBO's with direct or indirect exposures

People eligible:
400,000 approximately

Phase 1B Started on January 25, 2021

Beyond Date TBD

Oregon's vaccine supply is limited. It is estimated to take until early April 2021 to administer first doses to everyone who is likely to want a vaccine in Groups 1-5 of Phase 1B.

Group 1

- Childcare providers, early learning and K-12 educators and staff
Eligible week of January 25, 2021

Group 2

- People 80 and older
Eligible February 8, 2021

Group 3

- People 75 and older
Eligible February 15, 2021

Group 4

- People 70 and older
Eligible February 22, 2021

Group 5

- People 65 and older
Eligible March 1, 2021

Educators:
152,000 approximately
People over 65:
795,000 approximately

Subsequent groups will be determined in coordination with the Vaccine Advisory Committee and shared on OHA's COVID-19 vaccine web page. These are examples of groups of people who may included:

- Critical workers in high-risk settings — workers who are in industries essential to the functioning of society and substantially higher risk of exposure
- People of all ages with underlying conditions that put them at moderately higher risk
- General population

Authority

OHA 3527A (02/12/2021)

Oregon's Postsecondary Data Collection

- In late January, the State of Oregon requested that all postsecondary institutions collect information on employees who are currently eligible for vaccination under the Oregon Health Authority's (OHA) eligibility schedule *and* estimate the number of employees who would be eligible in subsequent phases.
- The UO offered to coordinate the data collection effort in partnership with Oregon's other public universities, the Oregon Community College Association, and the Oregon Alliance of Independent Colleges and Universities.
- The information is intended to assist the OHA in planning for vaccine distribution to the postsecondary education sector.

We encourage all UO employees within these categories to sign up with their local public health authority or primary care provider to schedule a vaccination appointment when they are eligible.</p>
People over 65 : 795,000 approximately	Estimated Eligible Employees at Public Universities: 1,473*	Estimated Eligible Employees at the University of Oregon: 492

*No data was provided by EOU for this category

OHA Phase 1B – Subsequent Phases (Other Priority Groups)

Beyond Date TBD

Subsequent groups will be determined in coordination with the Vaccine Advisory Committee and shared on OHA's COVID-19 vaccine web page. These are examples of groups of people who may included:

- Critical workers in high-risk settings — workers who are in industries essential to the functioning of society and substantially higher risk of exposure
- People of all ages with underlying conditions that put them at moderately higher risk
- People in prisons, jails, detention centers, and similar facilities, and staff who work in such settings
- General population

- Upon approval by the State of Oregon to provide the vaccine to employees of postsecondary institutions, UO employees will be invited to community vaccination events being run under the unified command*, some of which will be held at UO facilities.
- **The goal is to provide vaccinations to all UO employees who indicated interest.**
- If there is a limited supply of vaccine, the UO intends to follow a model in which employees and faculty who are working on campus and are critical to the continuity of operations and vital research would be invited to be vaccinated first. That group would then be followed by all other employees and faculty working in a hybrid or remote mode.

**UO Incident Management Team is in unified command with Lane County Public Health, PeaceHealth Medical Group, McKenzie Willamette Medical Center, and Eugene Springfield Fire Department.*

OHA Phase 1B – Subsequent Groups

Oregon Health Authority Guidelines	Oregon's Public Universities Total	University of Oregon
Subsequent groups will be determined in coordination with state's Vaccine Advisory Committee and shared on OHA's COVID-19 vaccine web page.	Estimated number of Oregon's public universities employees eligible after completion of Phase 1A Groups 1-4 and Phase 1B Groups 1-5	Estimated number of UO employees eligible after completion of Phase 1A Groups 1-4 and Phase 1B Groups 1-5
TBD	Estimated Eligible Employees at Public Universities: 20,851	Estimated Eligible Employees at the University of Oregon: 6,598
