IMT COVID-19 Objectives:

1. Reduce the likelihood of COVID-19 illness among students, faculty, staff, and guests.
2. Maintain comprehensive testing and contact tracing programs for the university in partnership with Lane County Public Health and Oregon Health Authority for the duration of the public health emergency.
3. Keep the campus informed of new developments, Oregon Health Authority and CDC guidance, and the university’s action to mitigate and respond and maintain operations.
4. Provide access for employees and students to COVID-19 vaccine when available and in partnership Lane County Public Health.
5. Establish a pathway to resume regular decision-making responsibility in accordance with the university safety policy and adherence with state and local public health authorities’ COVID-19 safety guidelines and expectations.
